

JOHN BARRETT TO TALK IN NASHVILLE

Pan-American Official to Address Christian Citizenship Conference.

NASHVILLE, Tenn., Feb. 16. (Sp.)—John Barrett, director-general of the Pan-American Union, has accepted an invitation to deliver an address before the coming Southern Christian Citizenship conference which meets in Nashville March 7-12. Dr. Barrett will speak on the subject, "The Pan-American Union, a Powerful and Working League of Nations."

Dr. Barrett is well known in this section of the country and his coming to Nashville at the time of the conference holds special significance in view of the fact that he received his collegiate education at Vanderbilt university and took his doctor of laws degree at Tulane university in New Orleans. All his life Dr. Barrett has been interested in the South and its place in the governmental and commercial life of the nation. Having held the posts of minister to Argentina, Colombia and Pan-America from the United States, Dr. Barrett is especially well qualified to speak on Pan-American subjects. He has always been a strong advocate of closer relations between the Southern states and Latin-American countries.

Announcement is also made of the acceptance of Dr. George N. Combs, pastor of the Independence Boulevard Christian church, of Blue Hills, to speak on "The New Internationalism."

M. L. Brittain, superintendent of public instruction for Georgia, and E. L. Colebeck, of Birmingham college, have also accepted places on the conference program.
